RE: Public Records Request dated February 21, 2019

Beryl Lipton,

By way of introduction, my name is Rick Tast. I am an Assistant City Attorney with the City of Lincoln Law Department and am tasked with handling Public Records Requests. Be advised your Public Records Request dated February 21, 2019 related to facial recognition software and marketing has been received by our office. Your entire records request cannot be fulfilled within four business days after the actual request.

Specifically, your request as written involves multiple departments including: the City of Lincoln Police Department; The City of Lincoln Information Services Department; and the City of Lincoln Law Department. Due to the current workload of the respective departments involved with the production and review of documents responsive to your request, the earliest practicable date for fulfillment will be the end of business on Monday March 4, 2019.

If you believe any records have been unlawfully withheld, please consult NEB. REV. STAT. § 84-712.03 to determine your right to seek administrative and/or judicial review of this office's determination.

Should you have questions or wish to discuss this matter further, do not hesitate to contact me directly. I can be reached via telephone at 402-441-7281, or via email at rtast@lincoln.ne.gov.

Best,

 /s/ Rick Tast
